Thank You

Thank you so much for this. We never apply for anything as there are people so much worse off than us and didn't really think we would get anywhere but were encouraged to apply.

Further to the application, my husband had a fall in the garden (over the debris from the last bad winds 4 weeks ago) and punctured his lung and broke 2 ribs! On top of that my mother is now here (nearly 80) as she had a fall at her home in Napier and has broken her proximal humerus which is extremely painful and she needs assistance. That combined with our wonderful but extremely stressful children, I cannot wait to get out into the mess that was once my pride and joy for some much needed stress therapy which thanks to you I can start to plan.

J Hancock

We are over the moon about your generosity. This is going to help our family immensely get back on our feet after a rough year and begin to purchase some furniture of our own that will help us feel more settled.

N Telford

Thank you so much for the funds. We are aware and humbled by the work that is still going on in the background to help those affected by the cyclone.

I will put together some information in the next few weeks to share with those from the many Inner Wheel clubs who have generously donated to the Cyclone Gabrielle funds.
